

EquineWellness
through alternative therapies

massage · acupressure · magnets · aromatherapy
craniosacral · reflexology · reiki · quantum touch
& more

The Show Stoppers learn about Horse Massage....show horses need a lot of TLC and Tristan Jade of Equine Wellness showed us how!

The Show Stoppers meeting was so interesting and relaxing for our "subject" Dudley! White Star horses are treated to monthly massages as well as acupuncture and chiropractic treatments. Happy horses happy riders!!
