

White Star Show Stoppers Shine

The 38th annual Carousel horse show, held in Scottsdale, Arizona was a great event for the **White Star Show Stoppers** youth club. The group had a wonderful time showing their

horses and achieving many goals in the show ring. In addition they found many ways to help others and participate in philanthropy work for several causes.

The Show Stoppers set up a Book Drive for **Florence Crittenton of Arizona**. The charity was selected by the Carousel Show to be their focus philanthropy. Florence Crittenton of Arizona is a non-profit organization that has served at risk girls for over 100 years. They offer young women from the ages of 12-21 a full range of services to deal with abuse, pregnancy, parenthood and health issues. The girls at Florence Crittenton needed books and the Show Stoppers worked hard to collect and distribute over 200 books to the agency!!

The Show Stoppers also had many entries in the Stick Horse class in which the proceeds went to **Saddlebred Rescue** and last but not least put together a raffle basket worth \$435 for the **Arizona Saddlebred Association**. Way to go **Show Stoppers!!!**
