

Show Stoppers Revisit “Old Friends”

The White Star Show Stoppers from Cave Creek, Arizona paid a return visit to “Old Friends” while in Kentucky this past February. The group was attending the annual ASHA Youth Conference in Lexington, Kentucky and wanted to go back to the rescue on their last day. They spent the morning at Old Friends which is located on the 52 acre farm Dream Chase. The farm is dedicated to providing safe harbor and dignified retirement to Thoroughbreds whose racing and breeding career have come to an end. The Show Stoppers were so impressed with the farm and its mission to save horses from slaughter that they “adopted” or helped to sponsor two horses last year Popcorn and Silver Charm so this year they adopted two more! What a great experience for the Show Stoppers and the horses whom they now call friends.
